FOR A COMPROMISE

THE PRESIDENT AND CABINET AGREE UPON ONE.

WILL BE OFFERED BY A REPEALER

It Provides for the Coinage of All the Bullion by the Treasury—Mr. Voorhees and the Repealers Again Suffer Defeat in the Senate Owing to Lack of a Quorum and Adjourn.

WASHINGTON, Oct. 14.—At the cabinet meeting yesterday after a discussion of the phase of the senate situation a compromise proposition was agreed upon to be offered by one of the repeal senators.

It includes as did the Harris amendment, provision for the coinage of the silver seigniorage in the treasury amounting to \$52,000,000 and the purchase of 3,000,000 ounces a month till 90,000,000 ounces have been purchased.

This will carry the purchase of silver over the expiration of Mr. Cleveland's term, a condition the silver men insist upon, and relieve the treasury during the coinage of the seigniorage, of eighteen months of further purchase of bullion, besides making the bullion so coined an available treasury asset.

To meet the demands of the east a proposition for the issue of \$100,000,000 three cent bonds is included. There is still a question whether a provision for the repeal of the tax on state banks and the redemption of notes of all classes below \$5 shall be added. This is the administration's compromise position.

ANOTHER DEFEAT.

The Senate Again Adjourns Owing to Lack of a Quorum.

WASHINGTON, Oct. 14.—Senator Voorhees and his repeal leaders have again met a signal defeat in their efforts to force a vote.

When the usual time for adjournment came yesterday Voorhees again stated that he would ask the senate to sit in continuous session until some action should be taken.

The session last night was a repetition of that of Thursday night. After Mr. Stewart yielded the floor, Mr. Peffer succeeded him, ready to talk all night, if necessary. The worn out repeal men were disheartened, however, and could not be compelled to remain and maintain a quorum. At 11:50 o'clock Voorhees, seeing the struggle was useless, gave it up and the senate adjourned.

PROTECTING UNCLE SAM.

A Resolution in the Senate Regarding the Union Pacific Receivership.

WASHINGTON, Oct. 14.—The following resolution by Senator Manderson of Nebraska was offered in the senate yesterday:

Resolved, That the committee on Pacific railroads be directed to investigate and report to the senate if the Union Pacific railroad company had passed into the hands of a receiver, and if so, by what action and under what circumstances, and what steps are necessary to protect the interests and secure the indebtedness of said railway company to the United States, reporting by bill or otherwise.

HAVOC AT BALTIMORE.

During the Storm the Jail Catches Fire and Burns Down.

BALTIMORE, Md., Oct. 14.—At 10:30 last night while the wind was blowing a gale the Brush electric light works took fire and were burned. As these supply the city and nearly all the stores with light, the city was plunged into total darkness for a time. Sparks from the Brush electric light works set fire to the city jail. The prisoners were hurriedly collected and marched into the yard. Quite a number, however, were overcome by smoke and dragged out.

Kidnaped Her Child.

NEVADA, Mo., Oct. 14.—Mrs. Mollie Longwell of Logansport, Ind., called at room 5 in the Central public school building here and asked to see 11-year-old Addie Casady. The request was granted. Last night Addie failed to come home. This morning her father, Isaac Casady, stated that the strange woman was the child's mother from whom he was divorced in Indiana about three years ago. The woman and child left here on the Missouri Pacific last night, presumably for Logansport.

Run by Gamblers.

ENID, Ok., Oct. 14.—For the third time since the opening of the Strip this city yesterday held an election for municipal officers. The whole proceedings were the broadest kind of a farce. Gangs of alien voters were imported from the government town, people were brought in from adjoining claims, the gamblers took possession of the place and there was polled at least three as many votes as an honest census of the population would indicate.

BALD HEADS!

What is the condition of yours? Is your hair dry, harsh, brittle? Does it split at the ends? Has it a lifeless appearance? Does it fall out when combed or brushed? Is it full of dandruff? Does your scalp itch? Is it dry or in a heated condition? If these are some of your symptoms be warned in time or you will become bald.

Skookum Root Hair Grower

is what you need. Its production is not an accident, but the result of scientific research. Knowledge of the diseases of the hair and scalp led to the discovery of how to treat them. "Skookum" contains neither minerals nor oils. It is not a dye, but a delicately cooling and refreshing tonic. By stimulating the follicles, it stops falling hair, cures dandruff and grows hair on bald heads.

Keep the scalp clean, healthy, and free from irritating eruptions, by the use of Skookum Root Hair Grower. It destroys parasitic insects, which feed on and destroy the hair.

If your druggist cannot supply you send direct to us, and we will forward promptly, on receipt of price. Grower, \$1.00 per bottle; 5 for \$5.00. Soap, 50c per box for \$2.50.
